

# MFP **Repro**

44"

**NEW AND IMPROVED  
FULL-FEATURED  
MFP SOLUTIONS**

## TURN PRINTERS INTO COPIERS, WITH GREAT PERFORMANCE AND VERSATILITY

### Now even faster with the new and perfected IQ Quattro X solution

Turn any new or existing printer into a copier, giving the small footprint you need without compromising on performance and versatility.

MFP Repro is a full-featured solution for scanning, copying, sharing and enhancing. You get outstanding image quality, with real-time view of enhancements and automatic cleanup of faded, dirty, or poorly shaded documents. Built-in workgroup collaboration capabilities mean anyone can scan to email, scan to folder, and share the scanner with others.

Contex MFP Repro solutions fit into any environment. MFP Repro lets you copy, print and scan like a professional whether you are at the office or you're running your own copy shop.

A Contex MFP Repro bundle includes a scanner, intuitive Nextimage REPRO software for scanning and copying, a 21.5 inch touchscreen and a high stand. Also available with low stand for side-by-side solutions with tall printers.

### High performance

The new IQ Quattro X gives you twice the speed and raises the bar for your productivity.

### Touchscreen

For your convenience, the MFP solution offers the choice of operating the touchscreen from the left or right side.

### Supports popular file formats

You can work with all of the most used file formats like PDF, PDF/A, TIFF and JPG.

### Supports common operating systems

MFP solutions support Windows 10 and Windows 8.1, 32-bit and 64-bit.

### Send scan to printers via network or USB

Nextimage REPRO includes free drivers for most HP, Canon, Océ, and Epson large format printers.
